COMPANY

Overview

Vernate Group is a leading interior design and furniture company in the Middle East, specializing in creating opulent and sophisticated spaces.

Founded in 1999, we offer a wide range of products and services, including bespoke furniture, office solutions, home décor, and custom-designed doors.

01

OUR Expertise

02

At Vernate Group, our expertise lies in delivering exceptional furniture and interior solutions through three key pillars:

1. Showroom

Welcome to our premier furniture showroom in the heart of Baghdad, spanning an impressive 4,000 square meters.

- Designed to cater to contemporary styles, offering something special for every preference.
- Whether furnishing your living room, bedroom, dining area, or office, our showroom features thoughtfully curated pieces that combine quality, functionality, and elegance.
- Step into a world of inspiration and transform your spaces with furniture crafted to suit every lifestyle.

OUR Expertise

2. Interior Architecture

Our interior architecture department specializes in designing spaces that range from small residential projects to large-scale commercial developments.

- Focused on blending aesthetics and functionality, the team delivers tailored solutions that align with each client's vision.
- From initial concept to final execution, the department ensures seamless attention to detail and innovative designs that meet diverse needs.

OUR Expertise

3. Manufacturing

Our in-house manufacturing facility is the backbone of our operations, turning designs into reality with precision and craftsmanship.

- Equipped with advanced technology and skilled artisans, the facility handles projects ranging from standard pieces to fully customized client requests.
- Every detail is meticulously crafted to ensure quality, durability, and a perfect match to the client's vision, making bespoke solutions a seamless part of our service.

OUR Services

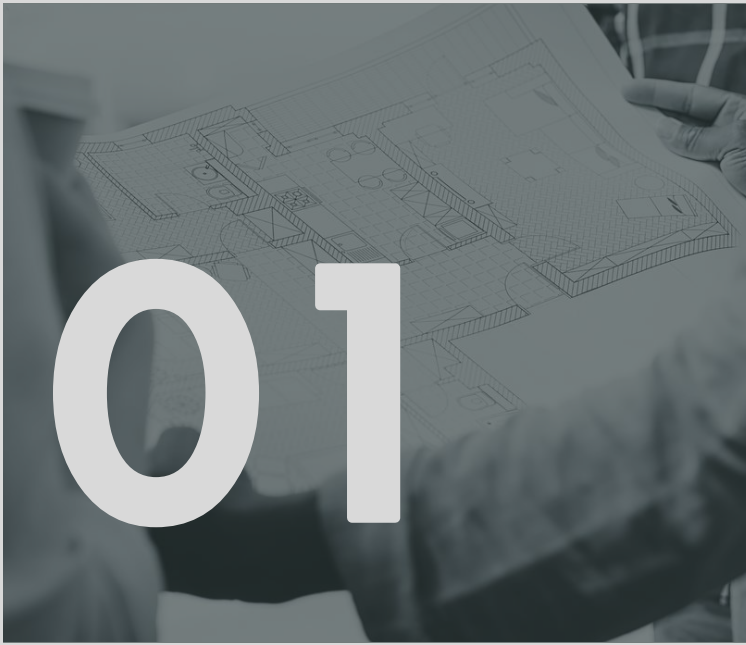

03

In addition to our product offerings, Vernate Group provides comprehensive interior design services that cover every aspect of your project, from conceptualization to delivery.

Our services include:

Space Planning: Our engineers will create efficient and functional layouts that maximize your space.

Color Consultation: We offer expert advice on color schemes and palettes to create a harmonious and visually appealing environment.

OUR Services

Material Selection: Our team will help you choose the perfect materials, finishes, and textures to reflect your personal style.

Custom Design: We specialize in creating bespoke furniture and décor pieces that are tailored to your specific needs and preferences.

PARTNERS

A prestigious Italian brand known for its mastery in creating high-performance kitchen appliances that blend advanced technology with sleek, modern design.

With a legacy of craftsmanship and dedication to innovation, Fulgor Milano has set a benchmark in the kitchen appliance industry, making it a perfect addition to Vernate Group's portfolio of distinguished brands.

Fulgor Milano's range of products, from precision-engineered ovens and cooktops to elegant refrigerators, complements Vernate Group's mission to bring unique, high-quality solutions to clients.

The brand's commitment to aesthetic refinement and practical functionality enhances Vernate's capacity to offer sophisticated kitchen environments tailored to both modern and classical spaces.

By partnering with Fulgor Milano, Vernate Group continues its dedication to providing world-class interior solutions that elevate the kitchen experience through quality, style, and technological excellence.

PARTNERS

Corian® Solid Surface by DuPont™, represented exclusively by Vernate Group in Iraq since 2012, is a high-quality American material known for durability, seamless design, and versatility.

This solid surface is ideal for kitchen and bathroom countertops and wall decor, offering features like hygiene, easy maintenance, repairability, and sustainability.

Architects and designers value Corian for its blend of function and aesthetics, making it a stylish, practical choice for both residential and commercial spaces.

APPLICATIONS OF CORIAN SOLID SURFACE

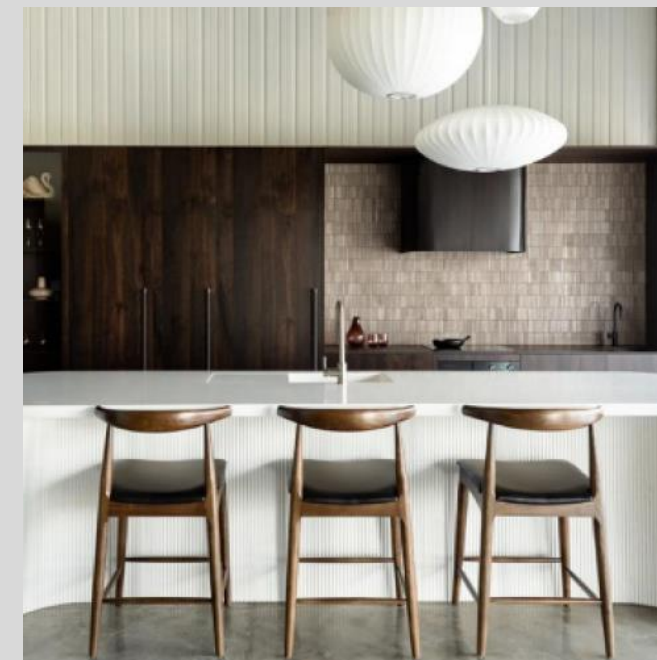

Corian's unique properties make it suitable for numerous applications: kitchen, bathroom, hospitality, healthcare, exterior cladding, retail, food service, public spaces

Kitchens:

Is Perfect for a range of kitchen styles, from high tech to traditional, from minimalist to warm and cosy.

Offering extraordinary design flexibility in a wide range of vibrant colours, it is ideal for countertops, backsplashes and integrated sinks, and many other applications.

It Offers inconspicuous seams and a sleek, hygienic non-porous surface.

BATHROOMS:

It Can be molded into soothing shapes. Mixing it with tiles, metal , wood , stone or glass. Fitted on walls, horizontal surfaces , moulded into bath surrounds. Perfect for vanities, shower walls, and tub surrounds, offering a waterproof and mold-resistant solution.

HEALTHCARE Environments:

Preferred for countertops, wall cladding, and workstations where hygiene and durability are paramount because it reduce rates of hospital acquired infections. It provide a clean hygienic fresh relaxing and recovery enhancement for both patients and staff.

COMMERCIAL Spaces

Used for bar tops, reception desks, and display areas in retail, hospitality, and offices, enhancing aesthetics and performance.

Vibrant , memorable restaurant and bars

PUBLIC Bathrooms

From Wall tiles to vanities , Corian Solid Surfaces offer design solutions can be adapted to the exact dimensions and room layout required, ensuring a perfectly fitted bathroom that is very easy to clean.

It gives the opportunity to integrate smooth lines in the our designs.

Outdoor and Exterior Applications

Resistant to weather and UV rays, making it suitable for outdoor furniture and cladding in commercial projects.

It has offered for architects around the globe unparalleled design flexibility of ventilated rainscreen systems for more than a decade.

It is used to create custom made panels capable of creating expansive and sleek vertical surfaces with inconspicuous seams.

Design solutions start from 3d textured effects , CNC Pattern cutting to curves inlays and beautiful lighting effect .

We proudly partnered with Giorgio Collection, a renowned Italian brand specializing in luxurious furniture. Known for their exceptional use of premium materials and finishes, this brand represents sophistication and elegance. Our showroom features a curated selection from their two main collections, thoughtfully chosen to align with the tastes and requirements of the Iraqi market.

In collaboration with Tabhoub, we produce exquisite classic kitchens that embody timeless elegance and superior craftsmanship. Based in Jordan, our partnership delivers high-end finishes and a wide variety of classical techniques, offering refined solutions that cater to diverse tastes and uphold the highest standards of quality.

Sige SpA is a renowned Italian brand specializing in premium kitchen accessories and storage solutions, offering innovative products that combine functionality with elegant design. The company is widely recognized for enhancing kitchen organization through its smart, space-saving systems tailored for modern lifestyles.

PARTNERS

Elica, a renowned Italian brand leading in kitchen ventilation, combines advanced technology with elegant design.

Known globally for its expertise in cooker hoods and air filtration systems, Elica transforms kitchen experiences, making it a valuable addition to Vernate Group's premium brands.

With a focus on energy efficiency, quiet operation, and stylish aesthetics, Elica aligns perfectly with Vernate Group's commitment to high-quality, functional, and visually appealing products.

This partnership allows Vernate Group to offer clients innovative solutions that enhance air quality and elevate interior aesthetics.

SISTER COMPANIES

To enhance our offerings and ensure seamless project execution, we have established strong partnerships with sister companies:

Made in Italy, Vernate Casa specializes in manufacturing high-quality furniture, contributing to the luxurious interiors we create.

Founded in 2002, this company excels in executing large-scale projects and government contracts, ensuring efficient project management and delivery.

OUR VALUES

06

MISSION

Our mission is to create inspiring living spaces that reflect our clients' unique personalities and aspirations, transforming their homes and offices into havens of comfort, style, and functionality.

VISION

To be the Middle East's leading provider of exceptional interior design solutions, exceeding customer expectations through innovative designs, impeccable craftsmanship, and personalized service.

LUXURY Service

KEY PROJECTS

HOTELS in Iraq

When designing any hotel room, we ensure our approach meets the needs and preferences of guests.

Our layouts flow seamlessly, offering easy navigation for guests and efficient operations for staff.

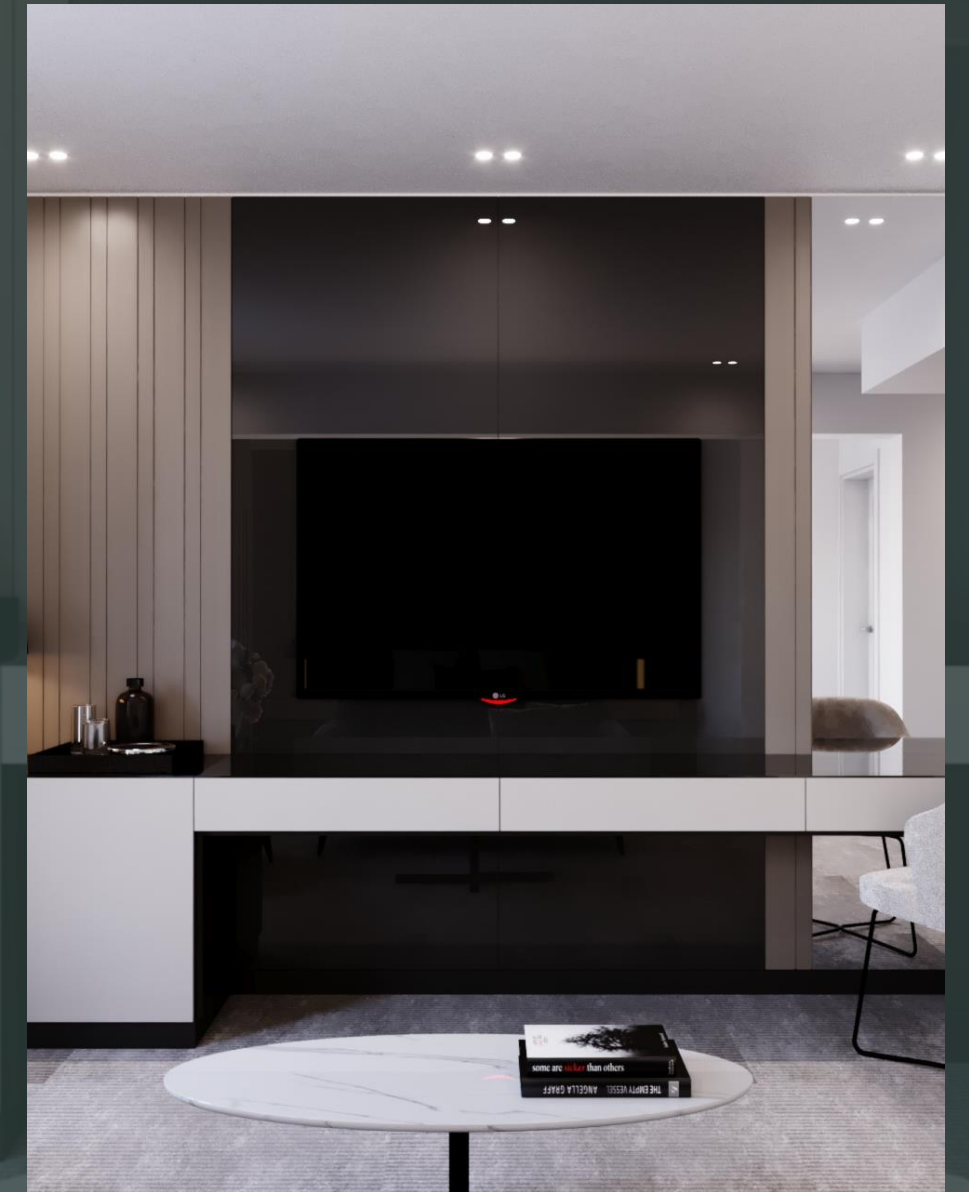

We prioritize comfort and convenience in every aspect, from room layouts to common areas.

To achieve perfection, we work on every detail, from initial design and conceptualization to production and final touches. Lastly, we create a hotel interior that is aesthetically appealing and welcoming.

We strategically use selected colors, quality textures, innovative lighting, and carefully chosen furniture to evoke the desired ambiance throughout the space.

KARRADAH HOTEL

Vernate Group specializes in creating stunning interior spaces.

From the initial concept to the final touches, we oversee every aspect of the project, ensuring attention to detail.

Our recent work on the Karradah Hotel showcases our commitment to excellence.

By carefully selecting premium materials like German wood and combining timeless design principles with contemporary aesthetics, we transformed the hotel into a luxurious and inviting space.

Our focus on functionality and aesthetics ensures that every project we undertake is both beautiful and practical.

INDUSTRIAL KITCHEN

At Vernate Group, we specialize in the design and implementation of industrial kitchens tailored to meet the specific needs of the food service industry in Iraq. Our team combines innovation with functionality, ensuring each kitchen is built to optimize workflow, safety, and efficiency.

From initial planning and layout design to equipment selection and installation, we deliver comprehensive solutions that align with global standards and client requirements.

Whether for hotels, restaurants, or large-scale food production, Vernate Group is committed to creating robust kitchen environments that enhance operational productivity and meet rigorous hygiene and quality standards.

INDUSTRIAL KITCHEN

GOVERNMENTAL PROJECTS

Our expertise in office furniture execution and production is showcased through successful projects for prestigious institutions such as:

- Iraqi Ministry of Defense
- Iraqi Ministry of Foreign Affairs
- Iraqi General Tourism Authority
